Thank you for using Pine Lodge Maps' marked map service for the Bulldog Rally. I hope you are pleased with your maps and wish you every success on the event.

Whilst every care has been taken in the preparation of these maps which were correct at time of printing, please be sure to familiarise yourself with their layout and ensure that you are happy with their accuracy. Please also add any final amendments or additional information which may be issued by the Rally Organisers at Documentation.

Special stage routes are highlighted in orange on the 1:50,000 maps.

Service Van Maps

Service is centralised at the rally Start location, Dolgellau Farmers Mart. However, these maps show the location of all special stages, should you be unlucky enough to have to go and look for your car!
